SUBJECT: Letter in Opposition of Repealing Net Neutrality

Dear Chairman Pai,

We are avid supporters of President Trump and a free market. However, we have been very disappointed with the proposed removal of Net Neutrality which is a policy that is one of our few exceptions.

Net Neutrality is imperative to the average citizens and small businesses that utilize the internet. This is a market regulation is one of the few in this country that must stay in place.

Removal of Net Neutrality will allow Internet Service Providers (ISP) and their supporters to abuse the trust of the customers that purchase from them. Often consumers only have once choice of ISP to choose from.

We plead with you to not remove the consumer shield of Net Neutrality.

Respectfully,

BRITTON C. SHOELLHORN &
HOLLIE A. SHOELLHORN
